

Fruit and Vegetable Guessing Game

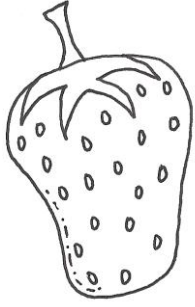

Instructions

Print out this sheet and cut out each of the cards below.

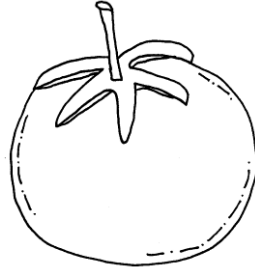

Shuffle the cards and deal them all out to each player. Starting with the youngest player they must choose one of their cards. The other players have to guess what fruit or vegetable is on the card. The player who can see their card can only answer "yes" or no". The player that gets the fruit or vegetable correct gets the card and puts it into a separate pile. The next person clockwise then chooses a card and play continues until all the cards have been guessed. The winner is the person with the most correct cards at the end of the game
