

Roll a Baseball Player

HAT

HEAD

BODY

ARMS

SHORTS

Feet

You need to cut out the baseball player parts ready for play. Players then take turns rolling the die and picking the parts ready to make the baseball player. If you roll a 1 you can put a hat on, a 2 gives the head etc. If you roll a number and you already have that part, you do nothing. Play then continues until the baseball player is complete. Whoever finishes their baseball player first wins!

Baseball Players to Cut Out
