

Roll a Basketball Player

		HEAD
		SHIRT
		ARMS
		BASKETBALL
		SHORTS
		Feet

You need to cut out the basketball player parts ready for play. Players then take turns rolling the die and picking the parts and placing them on the basketballer. If you roll a 1 you can put a head on, a 2 gives the shirt etc. If you roll a number and you already have that part, you do nothing. Play then continues until the basketballer is complete. Whoever finishes their basketball player first wins!
