

HOW TO DRAW A HOPLITE

Follow the 6 easy steps to draw a Greek hoplite!

- 1** Draw a helmet shape with a crest on top.

- 2** Add the head and neck below the helmet.

- 3** Draw the body with armour and a belt.

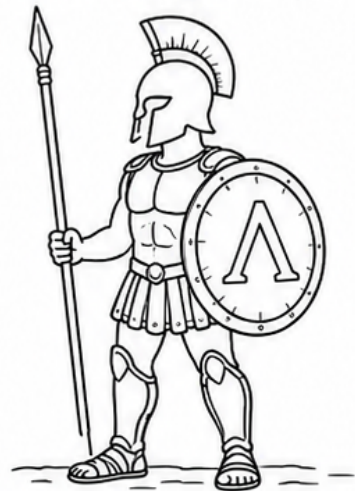

- 4** Add the arms. Draw a spear in one hand.

- 5** Add the shield in the other hand.

- 6** Add the legs and sandals. Your hoplite is complete!

DID YOU KNOW?

Hoplites were heavily armoured Greek soldiers who fought in a tight formation called a phalanx. They used their shields to protect each other and their spears to attack the enemy.
