

# HOW TO DRAW KING TUT

IN 6 EASY STEPS!

**1** Start with an oval for the face and a chin.

**2** Add the eyes, eyebrows, nose and mouth. Draw the ears.

**3** Add the nemes headdress shape around the head. Draw the hairline band across the forehead.

**4** Add the stripes to the nemes headdress and the uraeus (cobra) on the forehead.

**5** Add the false beard and the collar necklace with its decorations.

**6** Add the final details and decorations to the collar. Your King Tut is complete!
