

TRICERATOPS SUDOKU

Can you complete the grid?

Fill in the missing numbers so that each row, each column and each 3 x 3 box contains the numbers 1 to 9 exactly once.

Think logically and have fun!

Triceratops had three horns and a bony frill to help protect it from predators.

			5		2	6		1
4			6	8	3	9	5	
6	2	5				8		3
5					8			4
1	4	3		5		2	8	7
8					7			5
7	6	4				5		8
3			8	6	4	7	2	
			7		5	4		6

Small steps lead to big discoveries!
