

A vibrant illustration of a haunted house with purple roofs and yellow-lit windows. A ghost is visible in one window, and a black cat is in another. The house is surrounded by bare trees, a full yellow moon, and several bats. In the foreground, there are jack-o'-lanterns and a tombstone with 'RIP' on it. A purple banner at the top reads 'My Haunted House Story'.

- Who is in your story?
- Could there be a ghost, a witch or a black cat?
- Are there any visitors to the haunted house?
- What are the characters like?
